General Announcement:

Senju Pharmaceutical Co., Ltd.

Launch and Distribution of “Soft-MIEr” and “MIEr for Claio”

Senju Pharmaceutical Co., Ltd., hereby announces the commercial launch and distribution of “Soft-MIEr” and “MIEr for Claio” in Japan.

Soft-MIEr (medical device certification number: 304AGBZX00084000) can be used on a PC by installing an image sharpening algorithm developed by Logic and Design Co., Ltd. This is a program medical device that sharpens still and moving images.

MIEr for Claio can sharpen images on Claio* by installing Logic and Design’s image sharpening algorithm.

We aim to promote “more visibility” by providing products and services equipped with image sharpening and high resolution algorithms in the future, emphasizing the importance of sight.

*: Claio is the product of FINDEX Inc, an integrated system for medical image management, which is installed in a variety of medical institutions from university hospitals to local clinics throughout Japan.
