General Announcement:

Senju Pharmaceutical Co., Ltd.

**Launch of Distribution of Medical Devices**

Senju Pharmaceutical Co., Ltd. (Headquarters: Osaka, Japan; President: Mr. Shuhei Yoshida; hereinafter “Senju”) hereby announces its Launch of Distribution of Medical Devices in Japan, starting in April, 2022.

Senju has been providing pharmaceutical products focusing on the ophthalmology field for 75 years since its establishment. With this launch of medical devices as well, Senju will work to support people’s “total care” in the ophthalmology area - care for pre-symptomatic states and the prevention of onset, and for the early detection through treatment of diseases.

Senju will further contribute to support and improve people’s Quality of Vision by providing innovative products and services required in the era of the 100-year life.
