General Announcement:

Senju Pharmaceutical Co., Ltd.

Launch of Distribution of the M22 IPL Model

Senju Pharmaceutical Co., Ltd. (Headquarters: Osaka, Japan; President: Mr. Shuhei Yoshida; hereinafter “Senju”) hereby announces the launch of distribution of the M22 IPL Model in Japan, effective immediately (medical device approval number 30400BZX00044000), where the marketing authorization holder is Lumenis BE Japan K.K. (hereinafter “Lumenis”).

The M22 IPL Model is a medical device equipped with Intense Pulsed Light technology, which was developed by Lumenis in 1993 for the first time anywhere in the world, and has been already registered as medical device in more than sixty countries. In Japan, it was approved by the Ministry of Health, Labor and Welfare in 2013. For product details, please see the website of Lumenis (<https://lumenis.co.jp>).

This distribution will be implemented by way of a partnership between Senju and Lumenis. Through this alliance, Senju and Lumenis will further contribute to people’s health and prosperity by the realization and synergy of Senju’s mission of the “Pursuit of happiness for all people”, and Lumenis’ policy of “Better Technology for Better Patient Care”.
