General Announcement:

Senju Pharmaceutical Co., Ltd.

Launch of Distribution of the MIer

Senju Pharmaceutical Co., Ltd. (Headquarters: Osaka, Japan; President: Mr. Shuhei Yoshida) hereby announces the commercial launch and distribution of the MIer (medical device notification number 13B3X1031400002) in Japan where the marketing authorization holder is Logic and Design Co., Ltd.

MIer is a medical device equipped with image sharpening algorithm developed by Logic and Design, which sharpen images by connecting between various cameras and monitors.

We aim to promote “more visibility” by providing products and services equipped with image sharpening and high resolution algorithms in the future, emphasizing the importance of sight.
