General Announcement:

Senju Pharmaceutical Co., Ltd.

**Launch of Distribution of “Smart MIEr”**

Senju Pharmaceutical Co., Ltd., hereby announces the commercial launch and distribution of “Smart MIEr” (having the medical device notification number: 13B2X10529000006) in Japan, where the marketing authorization holder is Logic and Design Co., Ltd.

Smart MIEr is a compact image sharpening device that sharpens captured still images in real time and displays them on a monitor by connecting it with the slit lamp microscope, using an image sharpening algorithm developed by Logic and Design Co., Ltd.

Senju Pharmaceutical aims to promote “more visibility” by providing additional products and services equipped with image sharpening and high resolution algorithms in the future, emphasizing the importance of sight.
